

Dear Cast,

Thank you all for auditioning.

You may be cast for a role for which you did not audition. You may be cast in a role for which you were not called back.

Final casting is a combination of everything you have performed for us during auditions and call backs Including audition behavior.

Read everything you may find your name in a place you do not expect or it may be in more than one place!

We are human and sometimes accidentally leave a name off the list, if that happens we will call you when we realize our mistake. If you auditioned and do not see your name somewhere on the cast list, make sure to see Dana. (The Director)

Make sure to attend your ensemble rehearsal as everyone has an ensemble group assignment.

We know that auditioning is a nerve-wracking process. We were very proud of everyone who auditioned and are very excited about our upcoming show and we hope you are too.

Thanks again. Dana and the Staff
