

# Frozen Ensemble Costume Handout

Firstly, thank you all for your continued support and for being along for this journey! Please note that this is MYART's first time (in forever!) doing the full production of Frozen, so many things are a work in progress and may change! Myself and the rest of MYART staff will keep you in the loop, but there are VERY many moving parts to this process! We ask for your continued patience and understanding as we all work through this together to put on a wonderful show for you and your performers!

If you have any questions at all, please feel free to message me on Facebook @ Tati Michelle Harris or shoot me an email at [tatimichelle0218@gmail.com](mailto:tatimichelle0218@gmail.com)!
