

Frozen Lead Costume Handout

Thank you for your patience!

Below are the listed leads who will need to provide additional costume pieces for their lead roles.

These items will only need to be used when your performer is running their lead. For shows your child is NOT running their lead, they should provide and use what is listed on the Frozen Costume Handout.

As always if you have any questions, need assistance, or need clarification, please don't hesitate to reach out!
