

## LEAD HAIR

Please come with hair done beginning Tech Week – **Exact Date TBD**

<p><b>Elsa, Anna</b> (Adult, Teen and Young)</p>	<p><b>These characters will wear a wig.</b> Style your hair in the most comfortable way, but wig prep &amp; caps are <b>highly recommended</b>. See the wig prep guide below.</p>
<p><b>Olaf</b></p>	<p>This character will wear a <b>headpiece</b>. Come with hair braided or wig prep.</p>
<p><b>Kristoff</b></p>	<p>This character will <b>NOT wear a wig or headpiece</b>. Style it messy and adventurous – add texture and volume for a rugged, outdoorsy look.</p>
<p><b>Bulda</b></p>	<p><b>BIG, wild style.</b> Think <b>teased, messy, dramatic</b> with curls and texture. The <b>crazier and fuller</b> the better.</p>
<p><b>All other Leads</b></p>	<p>These leads can use their ensemble hairstyle for their lead role as well. Please come to call time with your hair done.</p>

### WIG PREP:

Hair should be prepped as flat as possible against the scalp, pulled away from the hairline, following the natural curvature of the skull. Improper prep will cause the wig to not fit correctly. Methods include pin curls, buns, twists and braids. Tools needed: bobby pins and hair pins.

**Look at YouTube tutorials, those are helpful!**
